# The Man She Trusted With Her Heart Could Sabotage Everything

# THE ECHO OF VIOLENCE

Author of *The Wrong Side of the Dead*

**Jordan Dane**

*With grit and hard-boiled heft, Dane's style is as cozy as brass knuckles."*  
—Mystery Scene Magazine

Last year, **Jordan Dane** launched her thrilling “Sweet Justice” series with *EVIL WITHOUT A FACE*, a novel about three powerful women—a bounty hunter operating outside the law, an ambitious vice cop, and a former international operative with a mysterious past. *Publishers Weekly* raved that Dane’s “intense thriller” featured “a dazzlingly imaginative supporting cast of characters” and “pulled out all the stops en route to the dramatic, rose-tinted finale.” Now, she returns to continue her gritty series, in a new ripped-from-the-headlines thriller: **THE ECHO OF VIOLENCE** (Avon, an imprint of HarperCollins, on 8/31/2010, 9780061474149, \$7.99).

When terrorists attack a Haitian missionary school, brutally killing their hostages and posting videos of the senseless murders online, time begins to run out. Sentinels’ agent Alexa Marlowe is forced into an unlikely alliance with a relentless mercenary—and he is no stranger.

Jackson Kinkaid witnessed the raid, and only he can track the killers to their mountain stronghold. But he is guarding a dark secret, rumored to sell his services to the highest bidder, and Alexa realizes Jackson is not the same man she once knew. Although he can lead her to the terrorist leader she’s been ordered to take alive, how can he be sure he won’t sabotage her mission to save the one person who got him through the worst nightmare of his life? Could a man she would trusts with her heart ruin everything?
