**National Bestselling & Award-winning
Thriller Author – Avon HarperCollins**

Jordan Dane - Bio

After Jordan Dane sold her first 3-books in auction to Avon/HarperCollins in June 2006, her debut title – *No One Heard Her Scream* – held more significance. *Everyone* heard her scream! And that went double for the next 3-book thriller series she sold to Avon in May 2007 before she had any books on the shelves.

Avon/Harpercollins launched Jordan Dane’s debut suspense novels in a back to back publishing event in Spring 2008 after buying the 3-book series in auction. Ripped from the headlines, Jordan's gritty plots weave a tapestry of vivid settings, intrigue, and dark humor. Publishers Weekly compared her intense pacing to Lisa Jackson, Lisa Gardner, and Tami Hoag—romantic suspense that “crosses over into plain thriller country”. And her debut novel **NO ONE HEARD HER SCREAM** was named Publishers Weekly Best Book of 2008 and Romantic Times Magazine nominated **NO ONE LIVES FOREVER** as Best Intrigue Novel of 2008.

Formerly an energy sales manager in the oil and gas industry, she now is following her passion to write full time. Jordan and her husband share their residence with two cats of highborn lineage and the memory of an intelligent, impossible to forget canine.
